REMARKS

Claims 32-51 are pending in the present application. In the Office Action mailed May 12, 2005, the Examiner rejected claim 48 as being non-statutory because the terminology "computer program product" alone has no set definition.

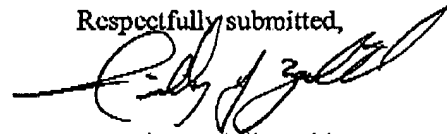

Applicant appreciates the allowability of claims 32-47.

Claim 48 has been amended to satisfy 35 U.S.C. §101. Specifically, claim 48 has been amended to clarify that the computer program is stored on a computer readable medium.

Therefore, in light of at least the foregoing, Applicant respectfully believes that the present application is in condition for allowance. As a result, Applicant respectfully requests timely issuance of a Notice of Allowance for claims 32-51.

Applicant appreciates the Examiner's consideration of these remarks and cordially invites the Examiner to call the undersigned, should the Examiner consider any matters unresolved.

Respectfully submitted,
